IJESS - Volume III, No.1, 2017

*International Journal of Ethnic and Social Studies (IJESS)*, the journal of the International Centre for Ethnic Studies (ICES) is currently accepting submissions for the **Volume III, No.1**, in the form of research articles (7,000-10,000 words), review articles (3,000-5,000 words) and book reviews (800-1,000 words).

The journal has a special focus on race and ethnic relations, racial inequality, racism, ethnicity, nationalism etc., but it generally accepts articles relating to the social sciences. IJESS particularly welcomes contributions with an inter-disciplinary focus, and accepts articles focusing on any geographical region.

Instructions regarding the submission of papers can be obtained from the ICES website at <http://ices.lk>. Authors are encouraged to submit papers electronically to the Managing Editor through [editor.ijess.ices@gmail.com](mailto:editor.ijess.ices@gmail.com). All articles will be reviewed by two experts in the relevant field through a double-blind review process. Authors will be informed of the decision upon receiving the review reports within two months from the date of submission. Although we generally accept submissions for this journal at any time of the year, the deadline for the submission of papers for the current volume is **15 December 2017**.
